

## Why

Why do you want a new website, or to have your current site redesigned?

What will happen if you don't have a new website, or don't have your current site redesigned?

## Your business

Please describe your organisation in a few sentences.

What is there about you and your background that sets you apart for a special (niche) group of potential customers?

Why do you believe site visitors should do business with you rather than with a competitor?

What problems do your customers have that your business solves?

## Your customers

Please describe your potential customers.

Pay special attention to their income, interests, gender, age, even type of computer they use, e.g., old with dialup account or newer with broadband.

If your website is a business-to-business site, what sort of companies are you hoping to attract?

How can your particular work background help your customers, compared to others in your industry? What's special about your work experience?

## Content

Do you have a logo?

Do you have a slogan or tagline that clearly describes what you offer by way of benefits or features?

Where is the website content coming from? Who's responsible for updating it? Is it ready for use on your website?

If you were using a search engine, what words or phrases would you use to find your site? Which of these words or phrases is most important?

What text, images, graphics, ads, etc. do you **not** want on your site?

## The project

What is your budget for this project?

Who are the decision makers on this project? What is the turnaround time for making a decision?

What staff will be involved? What are their roles? Is there a webmaster on your staff?

What is your deadline for completing the site?

**Frame of reference**

Please list the names of five other sites that you like. Why are they attractive to you?

Have you researched your online competition so you have an idea of what you do and don't want on your site?

Are you planning to do online sales? If so, what is the product, and how many items do you want to sell online?

If you're planning to sell online, are you set up to accept credit cards?

**Site management**

How much time will you be able to spend online, responding to inquiries that come in via your website? Once a day? Several hours a day?

Other than what search engines will produce, what methods do you have in mind to spread the word about your website?

Once your website is completed, how long do you think it will be before you begin bringing in significant business from the website?

How do you plan to encourage repeat visitors and referrals?
